

The spring flag football league just wrapped up and the Gridiron Club held a picnic for the kids on the last day of games. It was a good turnout of elementary aged kids with 6 teams in each of the two age groups.

GRIDIRON GOLF OUTING

MAY 2025

To The Goshen Gridiron Club members:

We are in the middle of our spring practices after a successful winter period in the weight room. Players are working to get bigger, stronger, and faster. Their progress in the weight room this winter will play huge dividends for us this fall. We have 5 spring practices and will also have 12 practices throughout the summer and a team camp that we will be heading to in July. This summer will be critical to our team's success on the field this year. As I have told the team all winter and into the spring, everyone is 0-0 right now. The time to gain an edge on our competition is right now through hard work in the weight room and our work together on the field.

field. We have 12 teams, split into two age groups (1st - 3rd grade and 4th - 6th grade.) I want to thank Gridiron Club members Patrick Linn and Caleb VanderReyden for their help getting the spring flag football league off and running. Without the help of many, but especially those two, we would not have been able to provide this great opportunity to our future RedHawks.

Sincerely Yours In Football,
Joey Hecklinski

Spring Flag Football

Spring Flag Football

This winter and spring we launched new and exciting opportunities to continue to grow Goshen football. In the winter we hosted a free Youth Football Academy on Monday evenings at the Jr. High where elementary and junior high school kids could come and learn the game and be taught by our players. This was a huge success and something we will continue to do. We had more than 80 kids show up each week to get better at football. We also started a Spring Flag Football League running from April and finishing in May. These games are all played at Foreman Field, so it is a great chance for kids to play on our high school
